Venue: MCCIA, J 462, MIDC, Ganesh Nagar, Telco road, Bhosari, Pune 26

INTRODUCTION

Autonomous Maintenance (JH – Jishu Hozen) is one of the important pillars of TPM to prevent forced deterioration and keep the equipment always in condition. The object of JH (Jishu Hozen) is to bring the equipment in optimal condition and sustain it to achieve Zero Break down, Zero Defects & Zero Accidents.

The role of operator working on the equipment is most important to practice JH (Jishu Hozen). This will help to change the attitude from “ I will operate and you will maintain” to “ I will operate and I will maintain” and build ownership culture at work place.
