

Half-Day Seminar on
Salary Taxation

Saturday, February 20, 2010

10.00 am to 02:00 pm at Pudumjee Hall, MCCIA, Tilak Road, Pune 411 002

New Perquisites Valuation Rules are announced. Therefore certain perquisites attracting FBT have now become taxable salary in the hands of employees. Therefore salary taxation has undergone significant changes. In case of salary, computation and TDS are equally important, at the same time each error or mistake comes to surface. Mandatory interest, strict penalty makes the error or mistake a costly affair.

Therefore, updated knowledge of law and procedure can assist timely and appropriate compliance of obligations. This saves burden of litigation and penalty.
