Organized Lecture presentation on

Automation of Central Excise and Service Tax (ACES)

Day & Date: Saturday 12th December 2009 **Timing:** 03.00 pm to 05.30 pm

Venue: MCCIA, 'A' Wing, ground Floor, Sumant Moolgaonkar Auditorium, International Convention Centre, 403-A Senapati Bapat Road, Pune - 411 016

Introduction:

The Automation of Central Excise and Service Tax (ACES), which is the new centralized web-based software application of CBEC will be available shortly. It can be accessed at <http://www.aces.gov.in>. It is designed to provide an electronic interface with the department and aims at reducing paper work, visits to the departmental offices and improving transparency, accountability and efficiency in indirect tax administration in India.

To use ACES following minimum systems requirements are prescribed :

- Processor Intel Pentium III and Higher
- RAM 256 MB and higher.
- HDD-80 GB and more.
- Web Browser, IE 6.0- and above Netscape 6.2 and above.
- MS Excel 2003 and above for using offline utility.
- Sound Card, Speakers/ Headphones, colour Monitor for
- using Learning Management system (LMS).

Benefits to participants:

- Online registration and amendment of registration details
- Electronic filing of documents such as Returns, Claims, Intimations and Permissions
- Online tracking of the status of applications, claims and permissions
- Online facility to view documents like registration certificate, Returns, SCN, Order-In-Originals etc.
- Internal messaging system for faster communication
- Application accessible from anywhere anytime (24X7) through the internet
- Online authentication of PAN with the Income Tax database
- Assistance of 'know your location' for choosing correct jurisdictional office
- Online self learning tutorials (LMS), Users Manuals & FAQs for help in using ACES
