

A Belgian company looking for distributors/manufacturers of milk and milk based products in India

A Belgian company is specialized in trading dairy products, has through the years been able to make itself known as a privileged partner of both major industrial and distribution groups.

RANGE OF PRODUCTS

For the industrial sector: Raw milk, concentrated milk, cream, buttermilk, sheep and goat milk, butter, milk powder, whey and demineralized whey powder, casein / caseinates, etc...

For the retail sector: Long life products (UHT milk, cream, concentrated milk, coffee milk, soya drinks, baby-food, etc..), fresh products (creamy yoghurts, soya desserts, milk drinks, etc...) and deep-frozen products (ice-cream, frozen pancakes).

Multi-faceted group offers the complete range of services that its customers expect. Wholesale distribution sector of its long term-preservation products, EUROFIT launched itself in 2000 on the market of fresh products destined for wholesale distribution, which entailed the elaboration of a new commercial and logistic approach. For more details you may visit <http://eurofit.be/your-partner-for-milk-product/>

The Company basically supplies retail products and industrial products and very keen to develop their presence in India through distributors / retailers (retail products) or manufacturers / traders (industrial products).
